We each have our own unique story of how we found out about Toastmasters, whether being told by a boss to get ourselves immediately to a club or dragged by a supportive colleague (or a loving spouse)...or having courageously sought out Toastmasters on our own. However we found our way to the meeting room, the important thing is, we found it!

Triple Crown Pin

Item 5909

Recognizing your district members' educational achievements is a great way to boost retention. A number of districts have awarded the Triple Crown to members who achieve three education awards in a single program year, and now it can be put into practice by any district that chooses to participate.

The Triple Crown report is located in the **Daily Reports** section of the [dashboard](#). The report includes member name, number of awards submitted and award types, per individual district.
